Commercial Furniture  
Hospitality Collection

## FURNITURE

- Frames are constructed of high strength tubular aluminum and steel.
- Most all dining, side and bar seating is stackable, an excellent characteristic when furniture is stored during the off-season.
- All furniture frames are warranted by Plantation Prestige for 3 years. Please visit [plantationprestige.com](http://plantationprestige.com) for more information.
- Our furniture features fully-welded frames for strength and stability.
- Metal furniture is electrostatically powder coated to resist corrosion, chipping, scratching and ultraviolet rays.

## POOL SIDE

- All furniture for poolside is made of aluminum frames, keeping it light for easy mobility around the pool. Aluminum will not rust when used in the outdoor environment.
- Our slings are Textilene; which is a woven mesh weave material made of strong polyester yarns that are individually coated with PVC, specifically designed for outdoor use. Textilene is a very durable fabric made specifically for the outdoors. This product is great for poolside because the fabric doesn't retain much heat, making it cooler than most other fabrics used under the sun for relaxation.
- All chairs and chaise loungers are made to stack for easy storage and clean up.
- All of our frames are warranted by Plantation Prestige for 3 years. Please visit [plantationprestige.com](http://plantationprestige.com) for more information.

## CUSHIONS

- We only use commercial-grade Sunbrella® fabrics for our cushions and umbrella canopies. Sunbrella® fabrics are not only durable and easy-care, but are also fade and mildew resistant, breathable and water-repellant.
- UV-resistant pigments are blended into each fiber for colorfastness and durability.
- Sunbrella® fabrics provide up to 98% UV protection and carry the Seal of Recommendation of the American Skin Cancer Foundation and the GREENGUARD certification for helping contribute to healthy indoor air.
- Cushions are warranted by Plantation Prestige for 1 year on craftsmanship and 5 years from Sunbrella® on loss of color or strength from normal use. Cushions are a custom order and may not be returned unless specified by warranty claim. Visit [www.sunbrella.com/warranty](http://www.sunbrella.com/warranty) for more information. With multiple color options of Sunbrella fabric, orders with cushions would be considered custom.

## ADDITIONAL PRODUCTS

- Several varieties of umbrellas and bases to suit practically any commercial application.
- Portable fencing panels, designed to create unique angles, easily assembled and can be secured into the surface if desired.
